

SAFE REOPENING PLAN

Business Name: Bakkers Driving School

Facility Address: 16885 W Bernando Drive, Suite 113, San Diego, CA 92127

This plan does not need to be submitted at this time. This plan is to be used to prepare when businesses open per the Governor's Order. The County will not require approval for this plan. Please check back for further information on 5/8/2020. Businesses must implement all mandatory measures listed in A and B below. Businesses shall select applicable measures listed in C and D below and be prepared to explain why any measure that is not implemented is inapplicable to the business. Businesses shall also provide specific details regarding their SRP pertaining to their business in section E below.

A. Signage (Mandatory):

- Signage at each public entrance of the facility to inform all employees and customers that they should: avoid entering the facility if they have a cough or fever; wear facial coverings, maintain a minimum six-foot distance from one another; and not shake hands or engage in any unnecessary physical contact.
- Signage posting a copy of the Safe Reopening Plan at each public entrance to the facility.

B. Measures To Protect Employee Health (Mandatory):

- Teleworking opportunities have been maximized.
- All employees have been told not to come to work if sick.
- All employees must have temperature taken upon reporting to work; if above 100 degrees, should not be allowed in workplace
- All employees must wear facial coverings in the workplace, if within six feet of others.
- All desks or individual work stations are separated by at least six feet.
- Break rooms, bathrooms, and other common areas are being disinfected frequently, on the following schedule:

Common area bathrooms are cleaned daily by the building cleaning crew.
 Teachers are required to take their temperature every morning before teaching.
 Teachers and students are instructed to stay home if they have COVID-19 symptoms.

- Personal Protective Equipment (PPE) has been provided at a level appropriate to employee job duties (describe below)

Students are required to wear face masks and wash their hands before each lesson

Teachers are provided with

Face masks (Not N95)
 Disinfectant Spray for driver training cars.
 Disinfectant wipes for training cars.
 Gloves

SOCIAL DISTANCING AND SANITATION PROTOCOL

B. Measures To Protect Employee Safety (Mandatory) Continued:

Soap and water are available to all employees at the following location(s):

16885 W Bernardo Drive, San Diego, CA 92127

Copies of the Protocol have been distributed to all employees.

C. Measures To Protect Customer Safety (Check all that apply to the facility):

Limit the number of customers in the store at any one time to 1 which allows for customers and employees to easily maintain at least six-foot distance from one another at all practicable times.

All patrons/visitors must wear facial coverings.

Curbside or outdoor service is made available where feasible.

Optional – Describe other measures:

Driving instructors are required to spray the training vehicle interior with disinfectant spray before each lesson.

Driving Instructors and students must wear masks.

Teachers or students with a temperature above 100 or have COVID-19 symptoms must reschedule the drive lesson. We do not charge cancellation fees.

D. Measures To Keep People At Least Six Feet Apart (Check all that apply to the facility):

Placing signs outside the store reminding people to be at least six feet apart, including when in line. Including encouragement for pedestrian traffic to follow one-way migration paths, if appropriate.

Placing tape or other markings at least six feet apart in customer line areas inside the store and on sidewalks at public entrances with signs directing customers to use the markings to maintain distance.

All employees have been instructed to maintain at least six feet distance from customers and from each other, except employees may momentarily come closer when necessary to accept payment, deliver goods or services, or as otherwise necessary.

Appointment system is utilized, when appropriate.

Optional – Describe other measures:

Only 1 student is allowed in the training cars at a time.

SAFE REOPENING PLAN

E. Additional Measures Specific to Business (Mandatory):

Training cars interior must be sprayed and wiped down with disinfectant spray between students

*Any additional measures not included here should be listed on separate pages, which the business should attach to this document.
